

The LAWSON Family

Newsletter

November - December
2010

Dear Brothers and Sisters in Christ,

We greet you in the name of our Lord and Savior, Jesus Christ. This fall has been very busy for us. I have been on the road trying to finish raising the remainder of our support. We have made some progress. It truly has been a challenge as we have faced many obstacles along the way. But God be praised for the great strength that has been given to us in this journey of His leading.

Consider Our Ministry

We have shared our ministry with many pastors and churches. We have had several say that they are going to assist us in the birthing of this church. **What we are asking now is that you take the next step and commit to stand with us through monthly support to see a great work built for God in Washington State.** We thank the Lord for each of you who have already partnered with us. We do not take lightly the sacrifice that you are making so that a part of our nation can be reached! May God bless you abundantly for endeavoring to help us reach the people with the Gospel in Gig Harbor, Washington.

Website

We have been working to get our website up to date. We will have the new site complete this month. It should be up and running within the next few weeks. We want you to be informed about our ministry. Please visit our "Vision" page, there you can see our heart and understand the burden we have for the great Northwest!

Seasons Greetings

"And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord," Luke 2:11. We are thankful for the hope that we are reminded of during this great time of year. Jesus truly is the joy of this season as well as through the year. Our family would like to wish each of you a very Merry Christmas and trust that you will have a blessed time with all of your family and friends.
