December 2011**

Dear Co-laborers in Christ,

We greet you during this exciting season as we are reminded of His Great Birth! We are continually encouraged through the year as we share with individuals this awesome news and are able to see lives changed by the person of Jesus Christ! This is the reason why we are endeavoring to establish the Beacon Baptist Church in Gig Harbor, Washington.

THANKFUL

We arrived and began the task of looking for a place to live. We have also had the opportunity to do some meetings in several churches and attend the Home Missions Church Planting Conference in Yakima, WA. Praise the Lord for all the things we saw God do there. We are very grateful for the help and kindness of the Bible Baptist Church in Poulsbo. Pastor Burden and the dear church family have been so helpful to us with accommodations. Pastor Irlbacher, Calvary Baptist Church in Roy, assisted us also with a place to stay for several days. These are some of the churches who are partnering with us. Pastor Mark Smith at Faith Baptist Church in Tacoma, has provided very helpful assistance as well. There have been so many others that also have aided us and taken an interest in our ministry. It would take several pages to list the kindness of so many of God's people. Our family appreciates the heart of each one that wants to see Gig Harbor reached for the cause of Christ!

PRAY

This is the time of year that most families get together and celebrate the holidays. We traveled back to North Carolina to spend Thanksgiving with our extended family and to gather the remainder of our household items. Please pray for us as we go back across country and through the mountain passes to our new home. We are also asking each one to continue to pray as we get things together to start the Beacon Baptist Church. There are many needs that God will have to provide and work in a special way.

SPECIAL MINISTRY NEEDS

We are presenting two areas where we need assistance. The need for more funds to help us get all of the materials printed for Beacon Baptist saturation outreach and mailing. Several of the pastors we have counseled with in Washington have also mentioned that a church van is one of the most important items that we will need for our ministry. We have the opportunity to purchase a 2010 Ford Passenger Van for \$13,000. This vehicle is in excellent condition and only has approximately 27,500 miles on it. Please help us pray about this. We would appreciate any gift God leads you to give. Please note which need your gift is to be used for.

We would like to thank not only all of those who have recently taken us on for support, but all of you who are faithfully standing with us. We wish you a Merry Christmas as you celebrate the Birth of our SAVIOUR!

In His Service,

Bra. Terry
