2011

Dear Brothers and Sisters in Christ,

We greet you in the name of our Lord! Our family trusts that you had a great time during the Christmas season. We have now stepped into another year and a new decade of wonderful opportunity. The time and years are passing with great speed as we near His Coming! Until He returns, we must find ourselves working and serving as faithful servants. The Apostle Paul reminds us to not focus on the things that are behind, but rather look toward future days. We are to press on!

We are excited about 2011. This is a year that will be filled with great steps for us. We are working now to get things in order for a spring transition. There are a multitude of tasks that must be completed in order for us to move the 3000 miles from North Carolina to Gig Harbor, Washington. Christy and I will be flying to Washington to get things worked out about housing and to get the odds and ends in order for us there. We ask you to stand with us in special prayer concerning these needs.

Support

Our support has increased some over these last few months. We are aware that these are difficult times, but God is able! What we need now is for those who have been waiting to support us, to start! We have had several to say that they are going to get on board with us. ***We Still Need Some Support!*** We are not yet at 90%. We are trusting God will burden the hearts so the remainder will come in. We thank each one of our faithful supporters for standing with us in our journey to get to the place that God has burdened us.

We are overwhelmed in our hearts at how God has worked in our lives even in the midst of all the hardships that we have faced. The Palmist bears record that He is a God that can! He can meet the needs no matter what they are. Please keep us in your prayers. We are asking you to keep our family before the Lord. We are thankful for so many dear friends that God has allowed us to get to know. May God bless you richly for your care!
