Dear Brothers and Sisters in Christ,

We greet you in the name of our Lord! This year is moving fast and much work needs to be accomplished for God's Glory! Our heartbeat is to see the children of the Lord strengthened and many souls come to know Christ. These are difficult days in which we live, but they are filled with the promise that He will soon return for His children.

### TRANSITION TIME

**Our family is getting excited about our transition in June!** Christy and I were able to go to Washington in February. There are many things that we must take care of as we prepare for this step in His calling. We are asking each one of you to pray for us. We are now working to make ready for our move to Gig Harbor. The need for our housing and for facilities in which to start the church brings with it a multitude of decisions where much pray and leadership from the Lord is needed.

### PRAISE and THANKS

PRAISE THE LORD!!! There are so many reasons we have to exalt the Lord. First, we praise the Lord for all the churches and individuals who have taken us on over these last few months. Your sacrifice is for the Glory of God. Second, your standing with us is truly a blessing as we prepare to get to Gig Harbor, Washington. We are thankful that you share our desire to see a ministry built and established to show forth the love of God. We are trusting God will burden hearts and the remainder of our support will come in as we approach our time of departure.

We have encountered many things we did not expect on our journey, but God has still been better to us than we deserve. God has truly been working in our lives. We are asking that you please keep us in your prayers as we near our transition to the Northwest. Know that you are in our prayers as well. May God bless you all richly as you endeavor to serve Him!

In His Service,

*Bro. Terry*
