

Terry Lawson Ministries

Prayer Letter

August, 2007

We have been so busy these last several months. Since our last quarterly newsletter in March, we have covered many miles. We were unable to get an April/June newsletter out. We had many who did not receive their January/March newsletter because of the postal service or address problems. We are trying to get everything worked out and get the Fall Quarterly Newsletter out.

It was a great blessing for my mother and me to go back to Jamaica for a Missions Trip in March for two weeks. God provided the money for the trip, and we were able to raise \$2,500.00 to take to the Heritage Baptist Church of Spanish Town. Missionary Wesley Hutchens and the people of the church were excited because of the love shown from other brothers and sisters in Christ. What a wonderful revival! God did a wonderful work in the hearts of the Jamaican people. There were people saved and Christians challenged for God. It was also great to see other missionary families that we had not seen for some time like Bro. Richie and Fran Young, who have been missionaries in Jamaica for over thirty years.

We returned home and picked up our meetings in North Carolina, Indiana, Florida, Georgia, West Virginia, New Jersey, Pennsylvania, and Maryland. Here we are the first of August and half of this year is gone. It is hard to believe how quickly time has passed by. We are excited to see what God is going to do the remainder of this year.

If you will, continue to pray for our needed monthly support. We presently have 25%. We just had another church let us know that they will be standing with us monthly; the good pastor and people of Faith Baptist Church, MacClenny, FL. We are thankful for God speaking to hearts concerning the needs of our ministry. Please pray and ask God what he would have you do.

Please pray for our family as they finish traveling for the summer with me and gear up for school the middle of this month. It is always a blessing to have them join me in the meetings. Ask God to strengthen Christy and me as we rear and train our children for the Lord.

We are excited about our new website and we thank the Lord for a tool to keep each of you informed about our ministry. The website includes updated information about our support level, contact information, current and archived prayer letters, as well as music and preaching CD sales. We will also include the plan of salvation on our website and pray the Lord will use it to win souls for Christ. We are thankful for Missionaries Kevin and Stacy Byers helping and providing our ministry with this website.

If you would like to receive these prayer letters each month by E-Mail, please visit our website at www.terrylawsonministries.com and type your E-mail address in the space provided, or E-Mail me at terry@terrylawsonministries.com.
